

ABOUT COLLINS

Since 1855, our family-owned business has been true to people and the planet by tirelessly pursuing the best utilization and applications of our natural and renewable resources.

Collins produces hardwoods, softwoods, pine particleboard (Declare Label, NAF), engineered wood siding and trim. Collins upholds their long-standing commitment to land and resource stewardship with 311,000 acres of FSC certified forest lands and 5 facilities in the US.

All available FSC®-certified CollinsWood / Contributes to LEED
