

Hunters Sharing the Harvest Open in Kane - Ready for Hunting Season 2022-2023

Hunters Sharing the Harvest (HSH) is a nonprofit venison donation program unique to the state of Pennsylvania founded in 1991. Since 1991, the HSH venison donation program has coordinated the processing and distribution of donated deer from hunters to people in need throughout Pennsylvania. Over the last 30 years, HSH has collected and distributed nearly 2 million pounds of hunter-donated nutritious venison to hungry Pennsylvanians through soup kitchens, community centers, churches and directly to families in need. Last year more than 4,000 hunters donated deer providing 822,000 meals to people in need. One donated deer provides up to 200 meals.

All 67 PA counties are active in the HSH Program. Generations Forestry, Inc. of Kane, PA is the McKean County volunteer coordinator of the Hunters Sharing the Harvest Program and is now accepting donations of legally harvested deer for the upcoming 2022-2023 hunting season. Hunters are not charged a fee for deer donated to HSH, and the distribution of processed venison is provided at no cost to those in need. All donated venison will remain in McKean County helping our local communities.

To donate a deer, simply drop off the deer at Generations Forestry, Inc. located at 26 Payne's Road, Kane, PA 16735.
