

COLLINS: HELPING TO BUILD A BETTER WORLD

Legacy: Since 1855, our family-owned business has been true to people and the planet by tirelessly pursuing the best utilization and applications of our natural and renewable resources.

Forestlands: Collins maintains their long-standing commitment to land and resource stewardship through FSC®-certified management of 370,000 acres of forestland across the US:
140,000 acres in California
118,000 acres in Pennsylvania
112,000 acres in Oregon

Products: Collins produces hardwoods, softwoods, pine particleboard (Declare Label, NAF), engineered wood siding and trim across 5 facilities in the US.

All available FSC®-certified CollinsWood / Contributes to LEED
